

Environmental Management Policy

Action Glass & Aluminium has established this policy to ensure a framework is in place to protect the environment by preventing or mitigating adverse environmental impacts.

Action Glass & Aluminium is committed to continuous improvement in our business operations to protect the environment, to ensure we fulfil our compliance obligations in accordance with the requirements of legislation, our clients, and expectations of the general community.

We will ensure that all our works are carried out in accordance with within environmental management processes as applicable and will ensure adequate revision of processes is maintained.

Educate and promote our environmental commitments to all our employees, contractors, and stakeholders.

Action Glass & Aluminium shall plan, develop, implement, and monitor relevant procedures and standards to minimise any unfavourable environmental impact that may result from our business activities.

We are committed to working towards and aligning our business management systems with the ISO: 14001.2015 Environmental Management Systems.

Our employees shall be encouraged to develop a sense of responsibility for the protection of the environment.

We will ensure that our employees are informed of our policy and are aware of their environmental responsibilities in relation to the Action Glass & Aluminium business activities.

A handwritten signature in blue ink, appearing to read "Debra Kaye", with a stylized flourish at the end.

Debra Kaye
General Manager
